 - (2) the purchaser's lawyer has certified and signed the transfer instrument and any other instruments in the Landonline Workspace for the transaction that must be signed on behalf of the purchaser; and
 - (3) the purchaser's lawyer holds in their trust account in cleared funds the amount that the purchaser must pay on settlement.

Last-Minute Settlement

- 3.11 If due to the delay of the purchaser, settlement takes place between 4.00 pm and 5.00 pm on the settlement date ("last-minute settlement"), the purchaser shall pay the vendor:
- (1) one day's interest at the interest rate for late settlement on the portion of the purchase price paid in the last-minute settlement; and
 - (2) if the day following the last-minute settlement is not a working day, an additional day's interest (calculated in the same manner) for each day until, but excluding, the next working day.

Purchaser Default: Late Settlement

- 3.12 If any portion of the purchase price is not paid upon the due date for payment, then, provided that the vendor provides reasonable evidence of the vendor's ability to perform any obligation the vendor is obliged to perform on that date in consideration for such payment:
- (1) the purchaser shall pay to the vendor interest at the interest rate for late settlement on the portion of the purchase price so unpaid for the period from the due date for payment until payment ("the default period"); but nevertheless, this stipulation is without prejudice to any of the vendor's rights or remedies including any right to claim for additional expenses and damages. For the purposes of this clause, a payment made on a day other than a working day or after the termination of a working day shall be deemed to be made on the next following working day and interest shall be computed accordingly; and
 - (2) the vendor is not obliged to give the purchaser possession of the property or to pay the purchaser any amount for remaining in possession, unless this agreement relates to a tenanted property, in which case the vendor must elect either to:
 - (a) account to the purchaser on settlement for incomings in respect of the property which are payable and received during the default period, in which event the purchaser shall be responsible for the outgoings relating to the property during the default period; or
 - (b) retain such incomings in lieu of receiving interest from the purchaser pursuant to clause 3.12(1).
 - (3) If the parties are unable to agree upon any amount payable under this clause 3.12, either party may make a claim under clause 10.0.

Vendor Default: Late Settlement or Failure to Give Possession

- 3.13 (1) For the purposes of this clause 3.13:
- (a) the default period means:
 - (i) in clause 3.13(2), the period from the settlement date until the date when the vendor is able and willing to provide vacant possession and the purchaser takes possession; and

- (ii) in clause 3.13(3), the period from the date the purchaser takes possession until the date when settlement occurs; and
 - (iii) in clause 3.13(5), the period from the settlement date until the date when settlement occurs; and
- (b) the vendor shall be deemed to be unwilling to give possession if the vendor does not offer to give possession.
- (2) If this agreement provides for vacant possession but the vendor is unable or unwilling to give vacant possession on the settlement date, then, provided that the purchaser provides reasonable evidence of the purchaser's ability to perform the purchaser's obligations under this agreement:
 - (a) the vendor shall pay the purchaser, at the purchaser's election, either:
 - (i) compensation for any reasonable costs incurred for temporary accommodation for persons and storage of chattels during the default period; or
 - (ii) an amount equivalent to interest at the interest rate for late settlement on the entire purchase price during the default period; and
 - (b) the purchaser shall pay the vendor an amount equivalent to the interest earned or which would be earned on overnight deposits lodged in the purchaser's lawyer's trust bank account on such portion of the purchase price (including any deposit) as is payable under this agreement on or by the settlement date but remains unpaid during the default period less:
 - (i) any withholding tax; and
 - (ii) any bank or legal administration fees and commission charges; and
 - (iii) any interest payable by the purchaser to the purchaser's lender during the default period in respect of any mortgage or loan taken out by the purchaser in relation to the purchase of the property.
- (3) If this agreement provides for vacant possession and the vendor is able and willing to give vacant possession on the settlement date, then, provided the purchaser provides reasonable evidence of the purchaser's ability to perform the purchaser's obligations under this agreement, the purchaser may elect to take possession in which case the vendor shall not be liable to pay any interest or other moneys to the purchaser but the purchaser shall pay the vendor the same amount as that specified in clause 3.13(2)(b) during the default period. A purchaser in possession under this clause 3.13(3) is a licensee only.
- (4) Notwithstanding the provisions of clause 3.13(3), the purchaser may elect not to take possession when the purchaser is entitled to take it. If the purchaser elects not to take possession, the provisions of clause 3.13(2) shall apply as though the vendor were unable or unwilling to give vacant possession on the settlement date.
- (5) If this agreement provides for the property to be sold tenanted then, provided that the purchaser provides reasonable evidence of the purchaser's ability to perform the purchaser's obligations under this agreement, the vendor shall on settlement account to the purchaser for incomings which are payable and received in respect of the property during the default period less the outgoings paid by the vendor during that period. Apart from accounting for such incomings, the vendor shall not be liable to pay any other moneys to the purchaser but the purchaser shall pay the vendor the same amount as that specified in clause 3.13(2)(b) during the default period.
- (6) The provisions of this clause 3.13 shall be without prejudice to any of the purchaser's rights or remedies including any right to claim for any additional expenses and damages suffered by the purchaser.
- (7) If the parties are unable to agree upon any amount payable under this clause 3.13, either party may make a claim under clause 10.0.

Deferment of Settlement and Possession

- 3.14 If:
 - (1) this is an agreement for the sale by a commercial on-seller of a household unit; and
 - (2) a code compliance certificate has not been issued by the settlement date in relation to the household unit,
 then, unless the parties agree otherwise (in which case the parties shall enter into a written agreement in the form (if any) prescribed by the Building (Forms) Regulations 2004), the settlement date shall be deferred to the fifth working day following the date upon which the vendor has given the purchaser notice that the code compliance certificate has been issued (which notice must be accompanied by a copy of the certificate).
- 3.15 In every case, if neither party is ready, willing, and able to settle on the settlement date, the settlement date shall be deferred to the third working day following the date upon which one of the parties gives notice it has become ready, willing, and able to settle.
- 3.16 If:
 - (1) the property is a unit title; and
 - (2) the settlement date is deferred pursuant to either clause 3.14 or clause 3.15; and
 - (3) the vendor considers on reasonable grounds that an extension of time is necessary or desirable in order for the vendor to comply with clause 8.3,
 then the vendor may extend the settlement date:
 - (a) where there is a deferment of the settlement date pursuant to clause 3.14, to the tenth working day after the date upon which the vendor gives the purchaser notice that the code compliance certificate has been issued, provided the vendor gives notice of the extension to the purchaser no later than the second working day after such notice; or
 - (b) where there is a deferment of the settlement date pursuant to clause 3.15, to the tenth working day after the date upon which one of the parties gives notice that it has become ready, willing, and able to settle, provided the vendor gives notice of the extension to the purchaser no later than the second working day after such notice.

New Title Provision

- 3.17 (1) Where:
 - (a) the transfer of the property is to be registered against a new title yet to be issued; and
 - (b) a search copy, as defined in section 60 of the Land Transfer Act 2017, of that title is not obtainable by the tenth working day prior to the settlement date,
 then, unless the purchaser elects that settlement shall still take place on the agreed settlement date, the settlement date shall be deferred to the tenth working day after the later of the date on which:

- (i) the vendor has given the purchaser notice that a search copy is obtainable; or
 - (ii) the requisitions procedure under clause 6.0 is complete.
- (2) Clause 3.17(1) shall not apply where it is necessary to register the transfer of the property to enable a plan to be deposited and title to the property to be issued.

- ~~4.1 If the vendor does not have a conveyancer or the vendor and the purchaser are associated persons, then—~~
- ~~(1) the vendor must provide the purchaser or the purchaser's conveyancer, on or before the second working day before the due date for payment of the first residential land purchase amount payable under this agreement, with—~~
 - ~~(a) sufficient information to enable the purchaser or the purchaser's conveyancer to determine to their reasonable satisfaction whether section 54C of the Tax Administration Act 1994 applies to the sale of the property, and—~~
 - ~~(b) if the purchaser or the purchaser's conveyancer determines to their reasonable satisfaction that section 54C of the Tax Administration Act 1994 does apply, all of the information required by that section and either an RLWT certificate of exemption in respect of the sale or otherwise such other information that the purchaser or the purchaser's conveyancer may reasonably require to enable the purchaser or the purchaser's conveyancer to determine to their reasonable satisfaction the amount of RLWT that must be withheld from each residential land purchase amount,~~
 - ~~(2) the vendor shall be liable to pay any costs reasonably incurred by the purchaser or the purchaser's conveyancer in relation to RLWT, including the cost of obtaining professional advice in determining whether there is a requirement to withhold RLWT and the amount of RLWT that must be withheld, if any, and—~~

- ~~4.2 If the vendor does not have a conveyancer or the vendor and the purchaser are associated persons and if the vendor fails to provide the information required under clause 4.1(1), then the purchaser may—~~
- ~~(1) defer the payment of the first residential land purchase amount payable under this agreement (and any residential land purchase amount that may subsequently fall due for payment) until such time as the vendor supplies that information, or~~
 - ~~(2) on the due date for payment of that residential land purchase amount, or at any time thereafter if payment has been deferred by the purchaser pursuant to this clause and the vendor has still not provided that information, treat the sale of the property as if it is being made by an offshore RLWT person where there is a requirement to pay RLWT.~~
- ~~4.3 If pursuant to clause 4.2 the purchaser treats the sale of the property as if it is being made by an offshore RLWT person where there is a requirement to pay RLWT, the purchaser or the purchaser's conveyancer may—~~
- ~~(1) make a reasonable assessment of the amount of RLWT that the purchaser or the purchaser's conveyancer would be required by the RLWT rules to withhold from any residential land purchase amount if the sale is treated in that manner, and~~
 - ~~(2) withhold that amount from any residential land purchase amount and pay it to the Commissioner as RLWT.~~
- ~~4.4 Any amount withheld by the purchaser or the purchaser's conveyancer pursuant to clause 4.3 shall be treated as RLWT that the purchaser or the purchaser's conveyancer is required by the RLWT rules to withhold.~~
- ~~4.5 The purchaser or the purchaser's conveyancer shall give notice to the vendor a reasonable time before payment of any sum due to be paid on account of the purchase price of—~~

 - (a) complete the purchase at the purchase price, less a sum equal to any insurance moneys received or receivable by or on behalf of the vendor in respect of such destruction or damage, provided that no reduction shall be made to the purchase price if the vendor's insurance company has agreed to reinstate for the benefit of the purchaser to the extent of the vendor's insurance cover; or
 - (b) cancel this agreement by serving notice on the vendor in which case the vendor shall return to the purchaser immediately the deposit and any other moneys paid by the purchaser, and neither party shall have any right or claim against the other arising from this agreement or its cancellation;
 - (2) if the property is not untenable on the settlement date, the purchaser shall complete the purchase at the purchase price less a sum equal to the amount of the diminution in value of the property which, to the extent that the destruction or damage to the property can be made good, shall be deemed to be equivalent to the reasonable cost of reinstatement or repair;
 - (3) if the property is zoned for rural purposes under an operative District Plan, damage to the property shall be deemed to have rendered the property untenable where the diminution in value exceeds an amount equal to 20% of the purchase price; and

- (3) ~~If the vendor is unable or unwilling to remove or comply with any objection or requisition as to title, notice of which has been served on the vendor by the purchaser, then the following provisions will apply:~~
~~(a) the vendor shall notify the purchaser ("a vendor's notice") of such inability or unwillingness on or before the fifth working day after the date of service of the purchaser's notice;~~

- 9.6 ~~OIA consent condition~~
- (1) ~~If the purchaser has indicated on the front page of this agreement that OIA consent is required, this agreement is conditional upon OIA consent being obtained on or before the OIA date on terms and conditions that are satisfactory to the purchaser, acting reasonably, the purchaser being responsible for payment of the application fee. This condition is inserted for the benefit of both parties, but (subject to clause 9.6(2)) may not be waived by either party, and the vendor is not required to do anything to enable this condition to be fulfilled.~~
- (2) ~~If the purchaser has indicated on the front page of this agreement that OIA consent is not required, or has failed to indicate whether it is required, then the purchaser warrants that the purchaser does not require OIA consent.~~

- (4) ~~The condition shall be deemed to be not fulfilled until notice of fulfilment has been served by one party on the other party.~~
- (5) ~~If the condition is not fulfilled by the date for fulfilment, either party may at any time before the condition is fulfilled or waived avoid this agreement by giving notice to the other. - (6) At any time before this agreement is avoided, the purchaser may waive any finance condition and either party may waive any other condition which is for the sole benefit of that party. Any waiver shall be by notice.

10.0 Claims for compensation

- 10.1 If the purchaser has not purported to cancel this agreement, the breach by the vendor of any term of this agreement does not defer the purchaser's obligation to settle, but that obligation is subject to the provisions of this clause 10.0.
- 10.2 The provisions of this clause apply if:
- (1) the purchaser claims a right to compensation (and in making such a claim, the purchaser must act reasonably, but the vendor taking the view that the purchaser has not acted reasonably does not affect the purchaser's ability or right to make such a claim) for:
 - (a) a breach of any term of this agreement;
 - (b) a misrepresentation;
 - (c) a breach of section 9 or section 14 of the Fair Trading Act 1986;

 - (2) there is a dispute between the parties regarding any amounts payable:
 - (a) under clause 3.12 or clause 3.13; or
 - (b) under clause 5.2.
- 10.3 To make a claim under this clause 10.0:
- (1) the claimant must serve notice of the claim on the other party on or before the last working day prior to the settlement date, time being of the essence (except for claims made after the settlement date for amounts payable under clause 3.12 or clause 3.13, in respect of which the claimant may serve notice of the claim on the other party at any time after a dispute arises over those amounts); and
 - (2) the notice must:
 - (a) state the particular breach of the terms of this agreement, or the claim under clause 3.12, clause 3.13 or clause 5.2, or for misrepresentation, or for breach of section 9 or section 14 of the Fair Trading Act 1986, or for an equitable set-off; and
 - (b) state a genuine pre-estimate of the loss suffered by the claimant; and
 - (c) be particularised and quantified to the extent reasonably possible as at the date of the notice; and
 - (3) the claimant must not have made a prior claim under this clause 10.0 (to the intent that a claimant may make a claim under this clause 10.0 on only one occasion, though such claim may address one or more of the elements in clause 10.2).
- 10.4 If the claimant is unable to give notice under clause 10.3 in respect of claims under clause 10.2(1) or clause 10.2(2)(b) on or before the date that notice is due under clause 10.3(1) by reason of the conduct or omission of the other party, the notice may be served on or before the working day immediately preceding the last working day on which settlement must take place under a settlement notice served by either party under clause 11.1, time being of the essence.
- 10.5 If the amount of compensation is agreed, it shall be deducted from or added to the amount to be paid by the purchaser on settlement.
- 10.6 If the purchaser makes a claim for compensation under clause 10.2(1) but the vendor disputes that the purchaser has a valid or reasonably arguable claim, then:
- (1) the vendor must give notice to the purchaser within three working days after service of the purchaser's notice under clause 10.3, time being of the essence; and
 - (2) the purchaser's right to make the claim (on the basis that such claim is valid or reasonably arguable) shall be determined by an experienced property lawyer or an experienced litigator appointed by the parties. If the parties cannot agree on the appointee, the appointment shall be made on the application of either party by the president for the time being of the Auckland District Law Society. The appointee's costs shall be met by the party against whom the determination is made or otherwise as determined by the appointee.
- 10.7 If the purchaser makes a claim for compensation under clause 10.2(1) and the vendor fails to give notice to the purchaser pursuant to clause 10.6, the vendor is deemed to have accepted that the purchaser has a valid or reasonably arguable claim.
- 10.8 If it is accepted, or determined under clause 10.6, that the purchaser has a right to claim compensation under clause 10.2(1) but the amount of compensation claimed is disputed, or if the claim is made under clause 10.2(2) and the amount of compensation claimed is disputed, then:
- (1) an interim amount shall be paid on settlement by the party required to a stakeholder until the amount of the claim is determined;
 - (2) if the parties cannot agree on a stakeholder, the interim amount shall be paid to a stakeholder nominated on the application of either party by the president for the time being of the Auckland District Law Society;
 - (3) the interim amount must be a reasonable sum having regard to the circumstances, except that:
 - (a) where the claim is under clause 3.13 the interim amount shall be the lower of the amount claimed, or an amount equivalent to interest at the interest rate for late settlement for the relevant default period on such portion of the purchase price (including any deposit) as is payable under this agreement on or by the settlement date;
 - (b) neither party shall be entitled or required to undertake any discovery process, except to the extent this is deemed necessary by the appointee under clause 10.8(4) for the purposes of determining that the requirements of clauses 10.3(2)(b)-(c) have been met.
 - (4) if the parties cannot agree on the interim amount, the interim amount shall be determined by an experienced property lawyer, an experienced litigator, or, where the claim for compensation is made under clause 5.2, an experienced registered valuer or quantity surveyor appointed by the parties. The appointee's costs shall be met equally by the parties, or otherwise as determined by the appointee. If the parties cannot agree on the appointee, the appointment shall be made on the application of either party by the president for the time being of the Auckland District Law Society;
 - (5) the amount of the claim determined to be payable shall not be limited by the interim amount;

- (6) the stakeholder shall lodge the interim amount on an interest-bearing call deposit with a bank registered under the Reserve Bank of New Zealand Act 1989 in the joint names of the vendor and the purchaser;
 - (7) the interest earned on the interim amount net of any withholding tax and any bank or legal administration fees and commission charges shall follow the destination of the interim amount; and
 - (8) apart from the net interest earned on the interim amount, no interest shall be payable by either party to the other in respect of the claim for compensation once the amount of the claim has been determined, provided that if the amount determined is in excess of the interim amount, the party liable to make payment of that excess shall pay interest to the other party at the interest rate for late settlement on the amount of that excess if it is not paid on or before the third working day after the date of notification of the determination, computed from the date of such notification until payment.
- 10.9 Where a determination has to be made under clause 10.6(2) or clause 10.8(4) and the settlement date will have passed before the determination is made, the settlement date shall be deferred to the second working day following the date of notification to both parties of the determination. Where a determination has to be made under both of these clauses, the settlement date shall be deferred to the second working day following the date on which notification to both parties has been made of both determinations. However, the settlement date will only be deferred under this clause 10.9 if, prior to such deferral, the purchaser's lawyer provides written confirmation to the vendor's lawyer that but for the resolution of the claim for compensation, the purchaser is ready, willing, and able to complete settlement.
- 10.10 The procedures prescribed in clauses 10.1 to 10.9 shall not prevent either party from taking proceedings for specific performance of this agreement.
- 10.11 A determination under clause 10.6 that the purchaser does not have a valid or reasonably arguable claim for compensation under clause 10.2(1) shall not prevent the purchaser from pursuing that claim following settlement.
- 10.12 Where a determination is made by an appointee under either clause 10.6 or clause 10.8, that appointee:
- (1) shall not be liable to either party for any costs or losses that either party may claim to have suffered in respect of the determination; and
 - (2) may make an order that one party must meet all or some the reasonable legal costs of the other party, and in making such an order the appointee may without limitation take into account the appointee's view of the reasonableness of the conduct of the parties under this clause.

11.0 Notice to complete and remedies on default

- 11.1
- (1) If the sale is not settled on the settlement date, either party may at any time thereafter serve on the other party a settlement notice.
 - (2) The settlement notice shall be effective only if the party serving it is at the time of service in all material respects ready, willing, and able to proceed to settle in accordance with this agreement, or is not so ready, willing, and able to settle only by reason of the default or omission of the other party.
 - (3) If the purchaser is in possession, the vendor's right to cancel this agreement will be subject to sections 28 to 36 of the Property Law Act 2007 and the settlement notice may incorporate or be given with a notice under section 28 of that Act complying with section 29 of that Act.
- 11.2 Subject to clause 11.1(3), upon service of the settlement notice the party on whom the notice is served shall settle:
- (1) on or before the twelfth working day after the date of service of the notice; or
 - (2) on the first working day after the 13th day of January if the period of twelve working days expires during the period commencing on the 6th day of January and ending on the 13th day of January, both days inclusive, time being of the essence, but without prejudice to any intermediate right of cancellation by either party.
- 11.3
- (1) If this agreement provides for the payment of the purchase price by instalments and the purchaser fails duly and punctually to pay any instalment on or within one month from the date on which it fell due for payment then, whether or not the purchaser is in possession, the vendor may immediately give notice to the purchaser calling up the unpaid balance of the purchase price, which shall upon service of the notice fall immediately due and payable.
 - (2) The date of service of the notice under this clause shall be deemed the settlement date for the purposes of clause 11.1.
 - (3) The vendor may give a settlement notice with a notice under this clause.
 - (4) For the purposes of this clause a deposit is not an instalment.
- 11.4 If the purchaser does not comply with the terms of the settlement notice served by the vendor then, subject to clause 11.1(3):
- (1) Without prejudice to any other rights or remedies available to the vendor at law or in equity, the vendor may:
 - (a) sue the purchaser for specific performance; or
 - (b) cancel this agreement by notice and pursue either or both of the following remedies, namely:
 - (i) forfeit and retain for the vendor's own benefit the deposit paid by the purchaser, but not exceeding in all 10% of the purchase price; and/or
 - (ii) sue the purchaser for damages.
 - (2) Where the vendor is entitled to cancel this agreement, the entry by the vendor into a conditional or unconditional agreement for the resale of the property or any part thereof shall take effect as a cancellation of this agreement by the vendor if this agreement has not previously been cancelled and such resale shall be deemed to have occurred after cancellation.
 - (3) The damages claimable by the vendor under clause 11.4(1)(b)(ii) shall include all damages claimable at common law or in equity and shall also include (but shall not be limited to) any loss incurred by the vendor on any bona fide resale contracted within one year from the date by which the purchaser should have settled in compliance with the settlement notice. The amount of that loss may include:
 - (a) interest on the unpaid portion of the purchase price at the interest rate for late settlement from the settlement date to the settlement of such resale;
 - (b) all costs and expenses reasonably incurred in any resale or attempted resale; and
 - (c) all outgoings (other than interest) on or maintenance expenses in respect of the property from the settlement date to the settlement of such resale.
 - (4) Any surplus money arising from a resale shall be retained by the vendor.

- 11.5 If the vendor does not comply with the terms of a settlement notice served by the purchaser, then, without prejudice to any other rights or remedies available to the purchaser at law or in equity the purchaser may:
- (1) sue the vendor for specific performance; or
 - (2) cancel this agreement by notice and require the vendor forthwith to repay to the purchaser any deposit and any other money paid on account of the purchase price and interest on such sum(s) at the interest rate for late settlement from the date or dates of payment by the purchaser until repayment.
- 11.6 The party serving a settlement notice may extend the term of the notice for one or more specifically stated periods of time and thereupon the term of the settlement notice shall be deemed to expire on the last day of the extended period or periods and it shall operate as though this clause stipulated the extended period(s) of notice in lieu of the period otherwise applicable; and time shall be of the essence accordingly. An extension may be given either before or after the expiry of the period of the notice.
- 11.7 Nothing in this clause shall preclude a party from suing for specific performance without serving a settlement notice.
- 11.8 A party who serves a settlement notice under this clause shall not be in breach of an essential term by reason only of that party's failure to be ready, willing, and able to settle upon the expiry of that notice.

12.0 Non-merger

- 12.1 The obligations and warranties of the parties in this agreement shall not merge with:
- (1) the giving and taking of possession;
 - (2) settlement;
 - (3) the transfer of title to the property;
 - (4) delivery of the chattels (if any); or
 - (5) registration of the transfer of title to the property.

13.0 Goods and Services Tax and Purchase Price Allocation

- 13.1 If this agreement provides for the purchaser to pay (in addition to the purchase price stated without GST) any GST which is payable in respect of the supply made under this agreement, then:
- (1) the purchaser shall pay to the vendor the GST which is so payable in one sum on the GST date;
 - (2) where the GST date has not been inserted on the front page of this agreement the GST date shall be the settlement date;
 - (3) where any GST is not so paid to the vendor, the purchaser shall pay to the vendor:
 - (a) interest at the interest rate for late settlement on the amount of GST unpaid from the GST date until payment; and
 - (b) any default GST;
 - (4) it shall not be a defence to a claim against the purchaser for payment to the vendor of any default GST that the vendor has failed to mitigate the vendor's damages by paying an amount of GST when it fell due under the GST Act; and
 - (5) any sum referred to in this clause is included in the moneys payable by the purchaser on settlement pursuant to clause 3.8(1).
- 13.2 If the supply under this agreement is a taxable supply, the vendor will deliver a tax invoice to the purchaser on or before the GST date or such earlier date as the purchaser is entitled to delivery of an invoice under the GST Act.
- 13.3
- (1) Without prejudice to the vendor's rights and remedies under clause 13.1, where any GST is not paid to the vendor on or within one month of the GST date, then whether or not the purchaser is in possession, the vendor may immediately give notice to the purchaser calling up any unpaid balance of the purchase price, which shall upon service of the notice fall immediately due and payable.
 - (2) The date of service of the notice under this clause shall be deemed the settlement date for the purposes of clause 11.1.
 - (3) The vendor may give a settlement notice under clause 11.1 with a notice under this clause.
- 13.4 Each party warrants that their response to the statement on the front page regarding purchase price allocation being relevant to the vendor or purchaser/purchaser's nominee for income tax and/or GST purposes is correct.

14.0 Zero-rating

- 14.1 The vendor warrants that the statement on the front page regarding the vendor's GST registration status in respect of the supply under this agreement and any particulars stated by the vendor in Schedule 1 are correct at the date of this agreement and will remain correct at settlement.
- 14.2 The purchaser warrants that any particulars stated by the purchaser in Schedule 1 are correct at the date of this agreement.
- 14.3 Where the particulars stated on the front page and in Schedule 1 indicate that:
- (1) the vendor is and/or will be at settlement a registered person in respect of the supply under this agreement;
 - (2) the recipient is and/or will be at settlement a registered person;
 - (3) the recipient intends at settlement to use the property for making taxable supplies; and
 - (4) the recipient does not intend at settlement to use the property as a principal place of residence by the recipient or a person associated with the recipient under section 2A(1)(c) of the GST Act,
- GST will be chargeable on the supply under this agreement at 0% pursuant to section 11(1)(mb) of the GST Act.
- 14.4 If GST is chargeable on the supply under this agreement at 0% pursuant to section 11(1)(mb) of the GST Act, then on or before settlement the purchaser will provide the vendor with the recipient's name, address, and registration number if any of those details are not included in Schedule 1 or they have altered.
- 14.5
- (1) If any of the particulars stated by the purchaser in Schedule 1:
 - (a) are incomplete; or
 - (b) alter between the date of this agreement and settlement,the purchaser shall notify the vendor of the particulars which have not been completed and the altered particulars as soon as practicable before settlement.
 - (2) The purchaser warrants that any added or altered particulars will be correct as at the date of the purchaser's notification.

- (3) If the GST treatment of the supply under this agreement should be altered as a result of the added or altered particulars, the vendor shall prepare and deliver to the purchaser or the purchaser's lawyer an amended settlement statement, if the vendor has already tendered a settlement statement, and a credit note or a debit note, as the case may be, if the vendor has already issued a tax invoice.
- 14.6 If
- (1) the particulars in Schedule 1 state that part of the property is being used as a principal place of residence at the date of this agreement; and
 - (2) that part is still being so used at the time of the supply under this agreement,
- then, the supply of that part will be a separate supply in accordance with section 5(15)(a) of the GST Act.
- 14.7 If
- (1) the particulars stated in Schedule 1 indicate that the recipient intends to use part of the property as a principal place of residence by the recipient or a person associated with the recipient under section 2A(1)(c) of the GST Act; and
 - (2) that part is the same part as that being used as a principal place of residence at the time of the supply under this agreement,
- then the references in clauses 14.3 and 14.4 to "the property" shall be deemed to mean the remainder of the property excluding that part and the references to "the supply under this agreement" shall be deemed to mean the supply under this agreement of that remainder.
- 14.8 If the particulars stated on the front page and in Schedule 1 indicate in terms of clause 14.3 that GST will be chargeable on the supply under this agreement at 0% pursuant to section 11(1)(mb) of the GST Act, but any of the particulars stated by the purchaser in Schedule 1 should alter between the date of this agreement and settlement, such that GST no longer becomes chargeable on the supply at 0%, then:
- (1) the purchase price shall be plus GST (if any), even if it has been expressed as being inclusive of GST (if any) on the front page of this agreement; and
 - (2) if the vendor has already had to account to the Inland Revenue Department for the GST which is payable in respect of the supply under this agreement and did so on the basis that in accordance with clause 14.3 the GST would be chargeable at 0%, the purchaser shall pay GST and any default GST to the vendor immediately upon demand served on the purchaser by the vendor (and where any GST or default GST is not so paid to the vendor, the purchaser shall pay to the vendor interest at the interest rate for late settlement on the amount unpaid from the date of service of the vendor's demand until payment).

15.0 Supply of a Going Concern

- ~~15.1 If there is a supply under this agreement to which section 11(1)(mb) of the GST Act does not apply but which comprises the supply of a taxable activity that is a going concern at the time of the supply, then, unless otherwise expressly stated in this agreement,~~

 - ~~(2) each party agrees to provide the other party by the date of the supply with proof of its registration for GST purposes,~~

- ~~15.2 If it subsequently transpires that GST is payable in respect of the supply and if this agreement provides for the purchaser to pay (in addition to the purchase price without GST) any GST which is payable in respect of the supply made under this agreement, then the provisions of clause 13.0 of this agreement shall apply.~~

16.0 Limitation of Liability

- 16.1 If a person enters into this agreement as trustee of a trust and is not a beneficiary of the trust, then that person will be known as an "independent trustee" and clauses 16.2 and 16.3 will apply.
- 16.2 The liability of an independent trustee under this agreement is limited to the extent of the indemnity from the assets of the trust available to the independent trustee at the time of enforcement of that indemnity.
- 16.3 However, if the entitlement of the independent trustee to be indemnified from the trust assets has been lost or impaired (whether fully or in part) by reason of the independent trustee's act or omission (whether in breach of trust or otherwise), then the limitation of liability in clause 16.2 does not apply, and the independent trustee will be personally liable up to the amount that would have been indemnified from the assets of the trust had the indemnity not been lost.

- 18.1 If the name of a licensed real estate agent is recorded on this agreement, it is acknowledged that the sale evidenced by this agreement has been made through that agent whom the vendor has appointed as the vendor's agent according to an executed agency agreement.
- 18.2 The scope of the authority of the agent under clause 18.1 does not extend to making an offer, counteroffer, or acceptance of a purchaser's offer or counteroffer on the vendor's behalf without the express authority of the vendor for that purpose. That authority, if given, should be recorded in the executed agency agreement.
- 18.3 The vendor shall be liable to pay the agent's charges including GST in accordance with the executed agency agreement.

- 19.3 This information is collected, used and published for statistical, property appraisal and market analysis purposes, by REINZ, REINZ member agents and others.
- 19.4 Despite the above, if REINZ does come to hold any of the vendor's or purchaser's personal information, that party has a right to access and correct that personal information by contacting REINZ at info@reinz.co.nz or by post or telephone.

20.0 COVID-19 / Pandemic Provisions

- 20.2 Where such a legal restriction on personal movement exists either nationally or in the region or district where the property is located:

- 20.3 Clause 20.2 applies whether such legal restriction on personal movement exists at, or is imposed after, the date of this agreement, and on each occasion such restriction is imposed.
- 20.4 Neither party will have any claim against the other for a deferral of a condition date or the settlement date under this clause 20.0.

- 22.4 Access:** The purchaser must provide, or arrange for, reasonable access to be provided to the Property for the vendor to rectify any fault or defect in accordance with clauses 22.2 or 22.3.
- 22.5 Limitation of Warranties or Guarantees:** All warranties or guarantees given by the vendor under this Agreement, whether contractual or additional, are given on the basis that they apply in respect of the completion of the Work as at the Settlement Date, and that post-settlement the purchaser must undertake normal maintenance to the Property on a regular basis so as to ensure that the integrity of the building products incorporated in the Property are maintained (and the purchaser must procure the Body Corporate undertakes the normal maintenance of those building products that the Body Corporate is responsible for the maintenance of), and the purchaser does as an essential term of this Agreement covenant and agree with the vendor that they will post-settlement undertake and complete (or procure the Body Corporate to undertake and complete) normal maintenance to the Property in a proper and appropriate manner on a regular basis.
- 22.6 Assignment of Warranties:** As soon as reasonably practicable after the completion of the Building and deposit of the Unit Plan, the vendor will assign to the Body Corporate or the purchaser (as the case may be) the benefit of all warranties and guarantees as may be available relating to the supply of services, materials and equipment installed in the Property, Building or the Land, and which are capable of assignment. If any warranties or guarantees are incapable of assignment, the vendor will hold the same on trust for the benefit of the Body Corporate or the purchaser (as appropriate).
- 22.7 Unprocurable Materials:** If any of the materials or chattels set out in the Plans and Specifications are not reasonably procurable, the vendor may substitute other materials or chattels of a similar quality and nature. The Purchase price will not be adjusted as a result of any such change.
- 22.8 Warranty as to Price:** The vendor warrants that the purchase price is fixed and that the Vendor will not be entitled to any increase in the purchase price under any circumstances.
- 22.9 Pre-settlement Inspection**

For the purposes of General Condition 3.2 (pre-settlement inspection), the parties acknowledge that in view of the number of houses in the Development that may be settling at the same time or within a short time of each other, it will be necessary for the vendor to have at least 2 weeks between the date that the purchaser carries out the pre-settlement inspection and the projected settlement date in order to ensure that the vendor can address any issues that may be disclosed during the pre-settlement inspection.

The vendor will give the purchaser notice no less than 3 weeks prior of the projected settlement date that the unit is available for the purchaser to carry out the pre-settlement inspection, and will invite the purchaser to choose a date that is at least two weeks prior to the projected settlement date to carry out the inspection. If the purchaser fails to undertake the inspection before the date that is 2 weeks prior to the projected settlement date, the purchaser acknowledges that the vendor may not have had sufficient time to remedy any defects, and the purchaser will not be entitled to delay settlement or withhold any money on settlement pending the completion of any remedial work. The vendor will use its best endeavours to have the remedial work completed as soon as practical after settlement.

23 INSURANCE

23.1 Builders Insurance: Without prejudice to the provisions of General Term 5.0 of this Agreement, the Vendor will at all times during the course of construction of the Work insure and keep insured the Work against loss or damage by fire, subsidence, earthquake, storm, tempest, acts of God and war damage to their full insurable value under a normal builders' risk Insurance Policy (**insurance policy**).

23.2 REINSTATEMENT / CANCELLATION: In the event of any damage to, or destruction of, the Work caused by any of the events referred to in clause 23.1, the vendor may, at its sole and absolute discretion, and subject to:

23.2.1 the rights of any mortgagee; and

23.2.2 the vendor being able to obtain all the consents needed,

apply all money received by the vendor under the Insurance Policy in or towards reinstatement of the Work to the stage of completion reached prior to the relevant event. If the vendor elects not to proceed with such reinstatement, the vendor may cancel this Agreement by notice in writing to the purchaser. Following cancellation, the purchaser will be entitled to the return of the deposit (and any net interest earned thereon) and neither party will have any further claim or right against the other.

24 BODY CORPORATE

24.1 First General Meeting: The vendor will use reasonable commercial endeavours (including by voting to that effect either pursuant to section 104 of the Act or, at the vendor's option, in the initial general meeting of the Body Corporate in relation to the principal units the vendor then holds) that:

24.1.1 the Body Corporate will have operational rules similar to the Body Corporate Rules (provided that the vendor may make such amendments as the vendor considers necessary in its sole and absolute discretion to ensure the proper and efficient operation of the Body Corporate having regard to the Land) and the final form of the operational rules has been deposited with the proposed Unit Plan under section 105 of the Act;

- 24.1.2** the Body Corporate enters into an administration Agreement for the provision of body corporate secretarial services with a professional organisation specialising in the provision of such services;
- 24.1.3** the Body Corporate adopts a long term maintenance plan;
- 24.1.4** the Body Corporate adopts a long term maintenance fund to provide funds for spending in accordance with the long term maintenance plan; and
- 24.1.5** the Body Corporate otherwise complies with the requirements of the Act and the Unit Title Regulations 2011.

24.2 **Timing of Resolutions:** It shall not be a prerequisite of settlement that the first general meeting of the Body Corporate be held prior to settlement, but the vendor's obligations under clause 24.1 shall not merge with Settlement and the terms of clause 24.1 shall continue to bind the vendor following settlement in its capacity as the owner of any principal units it retains at the time of the first general meeting of the Body Corporate.

24.3 **Pet Consent:** The purchaser acknowledges that if the purchaser wishes to keep a pet at the Property, that pet must be consented to by or on behalf of the Body Corporate. The purchaser may apply for consent to keep a pet on the form attached to the Body Corporate Rules.

25. ENTIRE AGREEMENT

25.1 The parties acknowledge that this Agreement, and the schedules and annexures to this Agreement, contain the entire agreement between the parties, notwithstanding any negotiations or discussions prior to the execution of the Agreement, and notwithstanding anything contained in any part of the marketing material, report or other document. The purchaser acknowledges that it has not been induced to execute this Agreement by any representation, verbal or otherwise, made by or on behalf of the vendor, which is not set out in this Agreement.

26. ELECTRICITY SUPPLIER

26.1 Under the vendor's supply Agreement with Mercury NZ Limited, being the current provider of electricity to the Property (**Mercury**), Mercury has requested to be provided with the contact details for any purchaser of a dwelling. The vendor has been informed by Mercury that this information may be used to contact the purchaser and discuss options for the supply of electricity to the Property following settlement. The purchaser acknowledges and accepts that:

- 26.1.1** the vendor has informed the purchaser of this request for information;
- 26.1.2** the purchaser will, within a reasonable timeframe following receipt of a written request from the vendor or the vendor's solicitor, provide the vendor with contact details for the purchaser (or any nominee) (**purchaser's Contact Details**); and
- 26.1.3** the vendor will provide the purchaser's Contact Details to Mercury.

27. RESTRICTED RESIDENTIAL USE

- 27.1** The vendor hereby discloses to the Purchaser that the Building is designed to be used for permanent residents and does not meet the fire regulations required for Transient Accommodation.
- 27.2** The Purchasers attention is drawn to rule 4.7 in the Body Corporate Rules, whereby any building improvements required to enable the use as Transient Accommodation as an approved use under the Consents are at the cost of the Owner.

EXPLANATION SHEET

Deletion of some of the vendor warranties by Fletcher Residential Limited (FRL)

FRL has deleted:

1. The warranties contained in clauses 7.1(2), 7.3(7) and 7.3(8) as it:
 - (a) considers the wording of those clauses to be entirely subjective (what may be considered to “directly or indirectly affect the property” is a matter of individual opinion – what is reasonable and not an issue to one party may be of issue to another);
 - (b) considers the wording to be too wide and all-encompassing and therefore prejudicial to it; and
 - (c) undertakes many residential developments in the area where the property is situated under various operational building divisions of which the division selling to you is only one.

Given the nature of residential development in the area where the Property is situated, many housing projects require resource consent exemptions and/or waivers for simple matters such as height in relation to boundary issues, site coverage issues and front yard encroachment issues. Consequently, it is impossible for the vendor to give the warranties set out in the general terms of sale referred to above.

If you have any concerns relating to either the Property, or the adjoining properties, as to Resource Management Act issues you should contact the Council.

2. The standard finance condition in clause 9.1. For purchasers that require a finance condition, FRL has provided its own finance condition clause for use as required by the parties.

General Information

- (i) This document contains brief explanations of information relevant to the purchase of a unit title property. It is highly recommended that the buyer obtains independent legal advice by consulting their legal representatives about any information contained in this statement and before signing a contract to buy in a unit title development.

Further information on buying, selling or having a unit plan can be obtained from the Tenancy Services website. Unit Title Services also has available various publications on unit title properties that may be of assistance, or you can contact the Ministry of Business, Innovation and Employment on 0800 UNIT TITLES.

Unit Title Property Ownership:

- (i) A body corporate comprises all unit owners in a unit title development. Unit titles are a common form of multi-unit ownership and allow owners to own an area of land and/or part of a building and share the common property with other unit owners.

There are various rights and responsibilities that differ to the more traditional house and land ownership structure.

Unit title ownership has a body corporate structure where decisions about the units and the common property need to be made by the owners working as a collective. The main governing legislation for unit title properties is the Unit Titles Act 2010 ("Act") and its Regulations.

Generally, a body corporate may arrange maintenance and upkeep of the building, the building insurance, general amenities, such as rubbish collection and gardening etc of common areas as agreed upon by the owners. The funding of a body corporate is by levies that are attached to each unit. Levies are collected for the general upkeep of the building and its amenities as well as for long-term maintenance of the complex.

The long-term maintenance plan of the complex is required under the Act and its Regulations to be for a minimum period of 10 years. From 8 May 2024 the minimum period for complexes with 10 or more principal units is 30 years.

All complexes have their own particular rules for the management of the complex known as the body corporate operational rules.

Each year, the body corporate must hold an AGM for decisions to be made about the units and the common areas of the complex. There may be further meetings during the year depending on the nature of the complex, its structure, or any issues that it may be experiencing. Sometimes an EGM may need to be held if there is a particular reason for holding a meeting outside of an AGM. There may also be committee meetings held throughout the year.

Unit Plan:

- (ii) Every unit title development has a unit plan, which shows the location of the principal units as well as any accessory units and common property in the development. The depositing of the unit plan with Land Information New Zealand (LINZ) forms the body corporate. The unit plan is a formal record showing the boundaries of the principal units, any accessory units and common property in the development.

Ownership and Utility Interest:

- (iii) Every principal unit and every accessory unit must be assigned an ownership interest. Every proposed principal unit and every proposed accessory unit must be assigned a proposed ownership interest.

Ownership Interest:

The ownership interest or proposed ownership interest is fixed by a registered valuer on the basis of the relative value of the unit in relation to each of the other units and shown on documentation required to be lodged with the unit plan (including staged and complete unit plans).

The ownership interest is used to determine a range of matters including, but not limited to:

- The beneficial interest of the owner of the principal unit in the common property.
- The share of the owner of the principal unit in the value of any buildings, fixtures, and other improvements in relation to leasehold land.
- The voting rights of the owner of the principal unit when a poll is requested under s 99 of the Act.
- The share of the owner of the principal unit in the underlying fee simple in the land on the cancellation of the unit plan.
- The extent of the obligation of the owner of the principal unit in respect of contributions levied by the body corporate under s 121 of the Act in respect of any capital improvement fund.
- The rights of the owner of the principal unit in relation to a distribution of any surplus money of a capital improvement fund under s 131 of the Act.
- The extent of the obligation of the owner of the principal unit for payment of ground

rental under s 87 of the Act.

- The extent of the liability of the owner of the principal unit for payment of ground rental under s 87 Unit Titles Act.
- The extent of the liability of the owner of the principal unit for damages and costs under s 142 of the Act.

The proposed ownership interest for a future development unit is the total of all the proposed ownership interests of the proposed principal units and proposed accessory units in the future development unit assigned under s 38(1)(6) of the Act.

The proposed ownership interest is used to determine the same range of matters described in s 38(3) of the Act in so far as they apply to an owner of a future development unit.

Subject to ss 41, 67, 69(3), and 177 of the Act no change may be made in the ownership interest of any unit after the unit plan is deposited.

Utility Interest:

Before a unit plan is deposited under ss 17(1), 21(1) or 24(2)(a) of the Act, every principal unit and every accessory unit must be assigned a utility interest.

The utility interest is the same as the ownership interest fixed under s 38(2) unless it is otherwise specified on the deposit of the unit plan or subsequently changed, and is used to calculate how much each owner contributes to the operational costs of the body corporate.

The utility interest is used to determine a range of matters including, but not limited to:

- The extent of the obligation of the owner of the principal unit in respect of the contributions levied by the body corporate under s 121 in respect of the long-term maintenance fund, the optional contingency fund, and the operating account.
- The rights of the owner of the principal unit in relation to a distribution of any surplus money in the long-term maintenance fund, the optional contingency fund, or the operating account, or personal property of the body corporate under s 131.

Body Corporate Operational Rules:

- (iv) The Unit Titles Act 2010 and its Regulations states that a body corporate can prescribe operational rules for the development, which are incidental rights and obligations that apply to the unit owners and body corporate alike. Bodies corporate can amend, add to or revoke these operational rules by ordinary resolution, as long as any amendments are not inconsistent with any provision of the Act. Section 106 of the Act details further restrictions on the scope of amendments or additions to body corporate operational rules.

If a Body Corporate has adopted a bespoke set of operational rules for the development they will be registered on the supplementary record sheet for the development. If not, then generally the default rules in Schedule 1 of the Regulations will apply.

All unit owners, occupiers and residents (including tenants) must comply with the body

corporate operational rules for the complex.

Pre-settlement Disclosure:

- (v) The seller must provide their buyer with a Pre-settlement Disclosure Statement no later than the fifth working day before the settlement date. The Pre-settlement Disclosure Statement must contain the following prescribed information and a certificate given by the body corporate certifying that the information in the statement is correct. The body corporate may withhold the certificate if any debt that is due to the body corporate remains unpaid. The prescribed information is:
 - (a) the unit number; and
 - (b) the body corporate number; and
 - (c) the amount of the contribution levied by the body corporate under s. 121 of the Act in respect of the unit being sold; and
 - (d) the period covered by such contribution; and
 - (e) the manner of payment of the levy; and
 - (f) the date on or before which payment of the levy is due; and
 - (g) whether a levy, or part of a levy, due to the body corporate is unpaid and, if so, the amount of the unpaid levy; and
 - (h) whether legal proceedings have been instituted in relation to any unpaid levy; and
 - (i) whether any metered charges due to the body corporate are unpaid and, if so, the amount of unpaid metered charges; and
 - (j) whether any costs relating to repairs to building elements or infrastructure contained in the unit are unpaid and, if so, the amount of unpaid costs; and
 - (k) the rate at which interest is accruing on any money owing to the body corporate by the seller; and
 - (l) whether there are any proceedings pending against the body corporate in any court or tribunal; and
 - (m) whether there have been any changes to the body corporate operational rules since the Pre-Contract Disclosure Statement.
 - (n) whether there are any proceedings: -
 - (i) initiated by the body corporate and pending in any Court or Tribunal; or
 - (ii) intended to be initiated by the body corporate in any Court or Tribunal.
 - (o) whether there is any written claim by the body corporate against a third party that

is not yet to be resolved.

There are legal consequences on the seller for failing to provide the Pre-settlement Disclosure Statement in the timeframes required by the Unit Titles Act 2010, including delay of settlement and cancellation of the contract.

Record of Title:

- (vi) A record of title was previously known as a certificate of title for a unit title development. A record of title records the ownership of a unit and contains a legal description of the unit's boundaries. It further records any legal interest registered against the title to the unit, such as a mortgage or an easement.

A copy of the record of title for the unit should come with the unit plan attached and a supplementary record sheet that records the ownership of the common property, and any legal interests against the common property and base land. It also records other information, such as address for service of the body corporate and the body corporate operational rules. In a unit title development, the common property does not have a record of title.

Land Information Memorandum (LIM):

- (vii) A LIM is a report issued by the relevant council by request. The purchaser may request a LIM to obtain certain information and there are fees associated for its request payable to the relevant council. A LIM provides information the council has about the property. This may include:

- rates information;
- information about private and public storm water and sewerage drains;
 - what building consents and code compliance certificates have been issued;
 - the district plan classification that relates to the land and its buildings;
 - any special features of the land the council is aware of, including downhill movement, gradual sinking, rock fall, flooding etc;
 - any possible contamination of the land; and
 - any other information the council deems relevant/necessary.

Full details of what a local council is obliged to provide in a LIM is contained in s 44A of the Local Government Official Information and Meetings Act 1987.

Easements and Covenants:

- (xiii) *Easement:*

An easement is a right that is granted over a piece of land in favour of nearby land. The right may not extend as far as giving exclusive possession of the land. There are various forms of easement and this may include common easements allowing services such as water, sewage,

electricity or telephone lines and rights of way that run over defined areas of the land. An easement may apply to a unit title property and/ or to the common areas.

Covenant:

A title may record a covenant on the property. A covenant is an interest in land according to the Property Law Act 2007 and is registered on the title of a property. The intent of a covenant is to limit or restrict the owner and any future owners as to how they use the land or property. Some covenants may be private agreements between parties; others may be imposed by the Council. Developers may use private covenants for controlling how future owners both develop and maintain the land, particularly for residential developments that are being marketed with certain characteristics.

The "First Year Insurance Fund" needs to be provided for in full at the date of titles issuing to enable the insurance policy to be paid in full at that time. The second years premium needs to be collected to enable payment of the premium immediately the first years policy expires (i.e one year after titles issue). For this reason, in the first year there is a contribution made to "Insurance Premium" that is higher than in subsequent years.

The budget and levy are up for review at each Body Corporate AGM held annually 3 months following the BC's Financial Year End.

- 3.12 Removal of Furniture:** Move any furniture, piano, safe, goods, merchandise, machinery, plant or heavy object or article of such weight, nature or description as will impose or cause any stress or strain or weight likely to damage, weaken or cause movement or structural defect to the building or any part thereof, into or out of the building or any unit or the land except in a manner (including the placement of protective screens) that ensures that no harm shall be caused.
- 3.13 Aerials etc.:** Erect or fix to the unit any television or radio aerial or antenna without the prior consent of the Body Corporate.
- 3.14 Use of balconies:** Use the balcony or any Common Property for drying laundry (except for a "floor standing" drying rack) or displaying wall hangings or for storage, nor allow any combustible or hazardous materials or substances or any rubbish or unsightly materials or obsolete furniture to accumulate or be displayed on balconies or Common Property.
- 3.15 Washing Lines:** Erect or affix any washing lines, poles or other such drying apparatus for a similar purpose (either temporary or permanent) outside a unit or on the exterior of a unit.
- 3.16 Blinds, awnings and curtains:** Erect any awnings or any venetian blinds (at any time), nor external blinds or hang curtains or roller blinds visible from outside of the Unit unless those curtains or roller blinds have a backing of such colour and design approved by the Body Corporate. Body Corporate approval shall ensure that the backing used in all the Units presents a uniform and orderly appearance when viewed from the outside of the Units. The Owner will as often as the need will arise (in the opinion of the Body Corporate) replace at the Owner's own cost any curtains or roller blinds in the Unit.
- 3.17 Fences:** Erect any fence, temporary structure, building or shed on any Unit or part thereof, without first obtaining approval in writing of the Body Corporate and the immediately adjacent Owners to a plan or diagram thereof and such fence, temporary structure, building, or shed will be erected in accordance with such plan or diagram.
- 3.18 Washing of vehicles:** Owners are not permitted to wash vehicles anywhere within the complex.
- 3.19 Residential occupation:** Owners are not permitted to use or occupy their Unit for any purpose other than a permanent residential dwelling without the prior written consent of the Body Corporate (see also Rules 4.7 and 4.8).
- 3.20 Electric vehicle charging:** Install any vehicle charging devices without first obtaining the consent of the Body Corporate. The Body Corporate shall be entitled to withhold consent to any particular installation that it considers could put unreasonable strain on the electrical infrastructure within the Buildings and the Common Property. The Body Corporate will be entitled to seek professional advice before making its decision with the cost of the advice being borne by the Owner who is applying for consent.

4 AN OWNER OR OCCUPIER OF ANY UNIT SHALL

- 4.1 Floor Coverings:** Ensure that all floor space within the unit is covered by floor coverings to such an extent sufficient to prevent the transmission of noise likely to disturb the peaceful enjoyment of the Owner or occupier of any other unit.
- 4.2 Quiet Enjoyment:** Take all reasonable steps to ensure that any invitees do not behave in a manner likely to interfere with the peaceful enjoyment of the Owner or occupier of any other unit or of any person lawfully using the common property.
- 4.3 Cleanliness:** With respect to the unit or accessory unit, keep all windows clean and if any are broken or cracked promptly replace same with fresh glass of the same colour, quality and weight:
- a) Maintain within the principal unit, in clean and dry condition, adequate covered receptacles and containers for garbage.
 - b) Ensure that before refuse is placed in the said receptacles and containers it is securely wrapped or in the case of tins and other containers, completely drained.
 - c) Temporarily store such filled receptacles and containers within an inside area of the principal unit.
- 4.4 Rubbish Collection:**
- a) To avoid cross contamination, every Owner shall ensure that only goods and material of the kind that is acceptable to the refuse collectors is put out for collection.
 - b) Not use any refuse disposal system other than the communal bins located in areas designated by the Body Corporate, and in particular, shall not have any private wheelie bin on their Unit.
- 4.5 Alarms:** Be responsible for the cost of any special call out or other similar charge levied by any security or alarm company or other service provider in respect of any incident caused by the Owner or occupier or affecting the unit.
- 4.6 Security Passes:** Arrange directly with the relevant provider at the owners cost for the replacement of any lost or damaged access passes or automatic door or gate opening devices which give access to the common property or for such additional passes or devices to be issued to them as they may require. The replacement of any lost or damaged keys to the unit shall be arranged by an Owner or occupier directly with the Body Corporate.
- 4.7 Compliance with Building Act in relation to use:** Meet all costs incurred in upgrading the fire alarm system and any other building elements or services that may be required by any competent authority as a result of the unit being used to provide transient accommodation. The reason for this rule is that the building has been designed to comply with the Fire Code as it relates to permanent residential accommodation. The use of a unit to provide temporary or transient accommodation may trigger a requirement to upgrade the fire alarm system, and possibly other systems and/or parts of the building. All costs associated with required upgrades should be borne by the Owners whose use triggers the requirement for upgrading.

4.8 Lease of the unit: A unit Owner shall:

- a) When creating a lease or tenancy or right of occupation of the unit in favour of some other person, ensure that that person has received and perused and agreed to abide with these rules.
- b) Advise the committee or manager if the unit is to be used for transient accommodation such as, but not restricted to, Airbnb and similar services. In addition to the provisions in clause 4.7 above, the body corporate shall be entitled to recover any additional insurance premiums or other costs from the Owner as a result of such transient accommodation.
- c) If at any point in time, it becomes necessary to obtain any consent from any authority in order to use of the unit for transient accommodation (as described at clause 4.8 (b) above), then, the Owner shall, in addition to the obligations under rules 4.7 and 4.8 (a) and (b):
 - 1. As a precondition of using the unit for transient accommodation, obtain, at the unit Owner's cost, all necessary consents from any authority required; and
 - 2. Supply such consent documentation to the committee or manager; and
 - 3. Ensure that all consents remain valid, current and are punctually renewed where required.

For the purposes of clause 4.8 (c) "authority" shall be defined as any authority having a role or interest in regulating short term accommodation, including but not limited to any regional council or territorial authority within the meaning of the Local Government Act 2002, or any Crown entity or government agency.

- d) For clarity, it is the unit Owner's sole responsibility to establish whether any consent is from any authority under clause 4.8 (c) is required.

4.9 Duties and Obligations: Ensure that the duties and obligations imposed by these rules on the Owners shall be observed not only by the Owners but also by the occupiers of the units and the owners' and occupiers' guests, employees, agents, workers, children, invitees, licensees and tenants.

4.10 Contact Details: Advise the committee of the body corporate of the Owner's private address and telephone number or, if the Owner is a corporation, of the private address and telephone number of the secretary or other responsible person employed by the Owner and shall keep the body corporate promptly informed of any change in such address or telephone number.

4.11 Defect/Damage: On becoming aware of any defect or damage to any part of the building of which the unit forms part or defilement to the exterior of the building of which the unit forms part or the common property of the body corporate or the failure or defect of any of the building's services of which the unit forms part, shall notify the body corporate immediately. The committee of the body corporate shall have authority to make such repairs or renovations as the committee considers necessary for the safety and preservation of the building (or, in an emergency, such repairs or renovations as the committee of the body corporate considers necessary). The body corporate shall be entitled to recover the costs of the repairs or renovations from an Owner if the act or neglect of an Owner necessitated the repairs or renovations.

- 4.12 Telecommunications Services:** An Owner must, where a Unit receives the benefit of telecommunications services, pay on demand by the Body Corporate, the Owner's proportion of the cost of providing those services, and the maintenance and upgrade of those services from time to time. If an Owner does not pay such charges, the Body Corporate may, without prejudice to its other remedies, authorise the disconnection of all or any such services provided to the Unit and recover the costs of the outstanding charges from the Owner
- 4.13 Fire Drills:** The Body Corporate may require the Owners to perform fire drills, and observe all necessary and proper emergency evacuation procedures, and the Owners will co-operate with the Body Corporate in observing and performing such rules and regulations."
