Relaxed  
Coastal Living

# Your place to unwind.

## Our Development Overview

## Discover life by the beach.

A coastal haven surrounded by parks, walks, a golf course, and of course, the beaches of the Pohutukawa Coast. It's hard to believe this coastal lifestyle is just 30 minutes from the CBD

by ferry. Time really does slow down here. There's the beach life, an established community and growing influx of families looking to put down roots in this sought after community.

## Our Homes

# Our Beachlands homes have taken space to a new level.

With generous sections and spacious interiors, these light-filled homes are a breath of fresh air for families of all sizes.

That feeling of extra space really is a feature of this development. Many homes in Beachlands offer four large bedrooms, and all have open-plan living areas and multiple bathrooms.

Our designer kitchens are a key element of our homes, some with the addition of a scullery.

Most sections are 800m<sup>2</sup> or larger, so a game of backyard cricket or letting your green fingers go to work on your own landscaping idea, can be a real possibility.

Of course, our homes come with all the modern amenities and features you'd expect from a brand new home from Fletcher Living. On trend bathrooms and kitchens, the latest appliances from Fisher & Paykel – and a seamless flow that works.

## Our Community

## Enjoy a true coastal lifestyle in a growing community.

Beachlands is coastal village that feels more like a holiday destination than an Auckland suburb. The love for the beaches, the open spaces and the parks brought the community together.

New comers love that sense of simple, back to basics living. The lifestyle of years gone by, where everyone's welcome and family means everything.

A family of five is enjoying a day at a beach. On the left, a large, leafy tree with small white flowers hangs over the scene. In the center, a woman in a white dress, a young boy in a blue shirt and cap, and a young girl in a white shirt and dark skirt are walking along the shoreline. To the right, a man in a white striped shirt and dark shorts is carrying a woman in a white top and dark shorts on his shoulders. They are standing on a pebbly beach with dark seaweed in the foreground. The ocean is a deep blue, and a distant city skyline is visible on the horizon under a clear blue sky.

Relaxed  
living.
