Hobsonville Point
A world of its own.
Be part of this popular, new development in North Auckland

Hobsonville Point is a peaceful new township that's been master-planned for future growth and to include everything a new community could dream of. Just 23km from Auckland’s CBD, this sought-after community is already thriving with schools, playgrounds, cafes, shops – even its own farmer's market and micro-brewery!

Nestled on the peninsular between Albany and West Auckland and surrounded by the waters of the Waitemata Harbour, Hobsonville Point is a world of its own. With coastal walks, cycle ways, parks and playgrounds, all just a short ferry ride to downtown Auckland, it truly is an escape, a sanctuary from the hustle and bustle of big city living.
Our new homes at Hobsonville Point are perfectly positioned to give you easy access to all the facilities this thriving community has to offer. Together with Construkt Architects, we’ve created a new release of homes to suit the incoming community’s needs. They are a fresh evolution of Fletcher Living designs and offer a mix of two-level terrace, duplex and standalone homes. Ranging from 2-4 bedrooms these generous, light-filled homes feature designer kitchens and all the high-quality fixtures you’ve come to expect from Fletcher Living.

Open plan living goes without saying – these homes flow beautifully and offer the flexibility and space modern, growing families need. Soft tones and neutral palettes mean nothing will clash – you can move in and make the home your own in no time.

Brand new also means low maintenance, giving you more time to enjoy all that Hobsonville Point has to offer. Peace-of-mind is built in too – these homes are built to last and backed by our 10 Year Master Build Guarantee.

Home features include:
- Designer kitchens with quality appliances
